

Remarks

This Supplemental Amendment After Final is respectfully submitted in response to the telephonic interview with the Examiner requesting that Applicants clarify the amendments made to the claims in the Amendment After Final filed July 6, 2010. In response, Applicants have placed deleted text in claims 28, 91 and 92 in brackets to clarify the amendments described below.

These remarks are in response to the Office Action mailed March 5, 2010. In the Office Action, claims 52-57, 62-71, 74, 90-92, 96 and 97 have been allowed. The Office Action maintains the rejection of claims 25-27, 30-35 and 93-95, and claim 28 for depending from rejected claim 25. Applicants respectfully submit that the amendments made herein will place the application either in condition for allowance or in better form for appeal and request that the amendments be entered. In particular, Applicants have canceled rejected claims 25-27, 30-35 and 93-95 and have adopted the suggestion of the Examiner to amend claim 28 to depend from an allowed independent claim. Applicants have further amended claims 91 and 92 to depend from claim 52 rather than rejected claim 25 placing them in better form for allowance. Accordingly, Applicants respectfully submit that claims 28, 52-57, 62-71, 74, 90-92, 96 and 97 are in condition for allowance.
